Welcome!

Thanks for coming to the Cornell Senior Survey. Cornell really needs your feedback. Results from the Senior Survey are frequently called upon to evaluate the quality of the Cornell undergraduate experience and inform improvements in programs and services.

This survey asks about your undergraduate experience at Cornell, as a whole, and within your major; your plans for the next year and beyond; and your general assessment of what you’ve learned in college. It should take you 15 minutes or less to complete. If you find a question that you don’t want to answer, skip it and go on. We still want to hear what you have to say on the other topics.

We take your privacy very seriously. Results from the Senior Survey will never be reported in a way that would identify you as an individual. When you finish the last section and hit the final “submit” button, you’ll find out instantly whether you have won a $15 Amazon e-gift card! Every 10th survey completed is an automatic winner!

Thank you for providing your feedback and good luck! If you have any questions or encounter any problems while taking the survey, please contact Cornell’s office of Institutional Research and Planning at irpsurvey@cornell.edu.
